

EUROMECH Fellow

The EUROMECH - European Mechanics Society Council has the pleasure to announce the introduction of the category of **EUROMECH Fellow**, starting in 2006. The status of Fellow is awarded to members who have contributed significantly to the advancement of mechanics and related fields. This may be through their original research and publications, or their innovative contributions in the application of mechanics and technological developments, or through distinguished contribution to the discipline in other ways.

Election to the status of Fellow of EUROMECH - European Mechanics Society will take place in the year of the appropriate EUROMECH Conference, EFMC or ESMC respectively, and is limited in total (fluids and solids together) to no more than one-half of one percent of the then current membership of the Society.

Nomination conditions:

- the nomination is made by **two sponsors** who must be members of the Society;
- successful nominees must be members of the Society;
- each nomination packet must contain a completed Nomination Form, signed by the two sponsors, and no more than four Supporting Letters (including the two from the sponsors).

Nomination Process:

- the nomination packet (nomination form and supporting letters) must be submitted before 15 January in the year of election to Fellow (the year of the respective EFMC or ESMC);
- nominations will be reviewed before the end of February by the **EUROMECH Fellow Committee**;
- final approval will be given by the **EUROMECH – European Mechanics Society Council** during its meeting in the year of election to Fellow;
- notification of newly elected Fellows will be made in May following the Council meeting;
- the Fellow award ceremony will take place during the EFMC or ESMC as appropriate;
- nominations remain active for two successive campaigns.

How to submit nominations: nomination packets need to be sent before the deadline (before 15 January of the year of the respective EFMC or ESMC) to the President of the Society.
